

PYROTEC PACKMEDIA

Pyrotec PackMedia delivers innovative on-pack label printing solutions such as multipage leaflet and booklet labels, wet glue, butterfly and smart labels, medical inserts, neck tags, cartons and merchandising solutions. From meeting legal requirements with informational labels to creating sales-boosting promotional devices, our tailored packaging enhancements maximise available space, elevate branding, and improve efficiencies.

Using advanced digital printing and finishing technology, we ensure fast turnarounds, short-run flexibility, and consistent premium quality. All our solutions are designed to save costs, reduce packaging, and drive sales while helping customers achieve.

PRODUCT LABEL PRINTING

Our label printing solutions ensure fast turnaround, short-run flexibility, and consistent quality.

INFORMATIONAL LEAFLET LABEL PRINTING

Informational Leaflet Labels expand packaging space while reducing costs, cutting waste, and improving efficiency.

BUTTERFLY LABEL PRINTING

Butterfly Labels provide up to five times more space than standard labels, ideal for enhanced product messaging.

WET GLUE LABEL PRINTING

Wet glue labels require separate adhesive but remain cost-effective, efficient for large runs, and deliver high design quality.

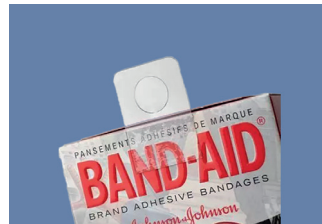

NECK TAG SOLUTIONS

Bottle neck tags provide a secure fit and boost brand visibility with standout shelf presence.

PROMOTIONAL LABEL PRINTING

Pyrotec PackMedia delivers innovative promotional solutions that maximise on-pack communication.

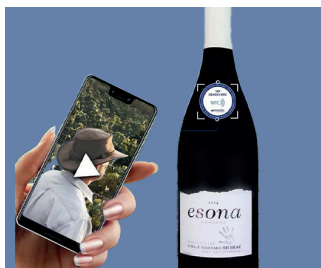

DO-IT® HANG TABS

Do-It® Hang Tabs and Display Strips from Pyrotec PackMedia offer a quick, effective way to boost product visibility at eye level in-store.

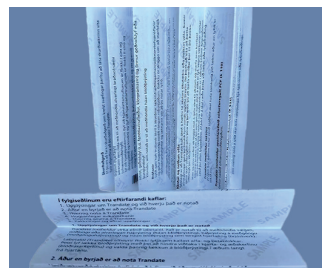

KLIP STRIP

The Klip Strip drives sales and customer satisfaction while supporting sustainability with flexible, portable strips made from recycled plastic.

SMART NFC LABELS

Smart NFC Labels enable tap-and-go access to digital content, boosting brand storytelling and customer loyalty.

PYROTEC PACKPRINT

Pyrotec PackPrint delivers high-quality lithographic printing, cartons, medical inserts and booklets with precision, colour accuracy, and exceptional results.

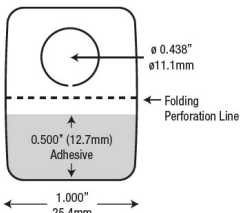

Merchandising Solutions

Products that are well-packaged and visible on the store shelves are more likely to be purchased.

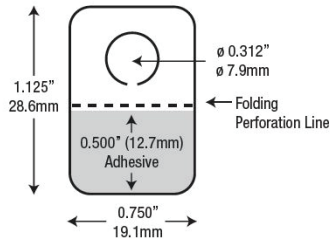

A quick and easy way to ensure your products are visible to consumers in the eye zone is through vertical display using **Do-It's** range of Hang Tabs and Display Strips, available through Pyrotec PackMedia. **The Klip Strip** is an innovative way of ensuring happy customers and product sales. They also keep the environment happy because they're made from recycled plastics, and retailers appreciate that they're flexible and portable.
